### Regulations

The batteries will be composed by time, without taking into account the categories (series). The series will then be formed according to the time of enrolment as an Absolute category.

Each athlete will be able to participate in a maximum of 6 races.

Each race will see in the water first the females and then the males.

The best 21 male athletes and the best female athletes, Absolute category, will be admitted to the races of the 400 Freestyle and 400 mix and by Novembre 13, 2025 the lists of the athletes registered in the aforementioned competitions will be published. The excluded can be enrolled in alternative competitions referred to in the program formalising registrations by November 15, 2025, in compliance with the limits of the series.

The Australian competition will be attended by the top 7 Absolute best times

classified in the race of 50 for both men and women. Only one departure will be valid. The start of all the races will be given with the athletes of the previous battery in the water, except in the 'backstroke swimming style'.

The scores for the final team ranking will be assigned as follows: 8 points to the first place, 7 points to the second, 6 points to the Third place place, 5 points to the fourth, 4 points to the fifth place, 3 points to the sixth, 2 points to the seventh place and 1 point to the eighth. The assignment of the recalled score will take into account the first eight absolute athletes classified for each race.

Ranking management and automatic timing with plates by the FLC.R. All the races of the program are subject to the limitation of the evenings as reported above. The timing of the event, including the heating times, will be communicated at the closing of registration.

### Awards

For the individual rankings will be awarded: the first three classified of each category with medals, the first year male boys category with medals, the best male and female Absolute performances (ELNA tables) with a special medal and the winners of the Australian competition with a special prize of € 50,00 and gadgets offered by the M2 Shop.

For the Company classification: The "14th Don Guglielmo Trophy" will be awarded to the 1st ranked company. A cup will also be awarded to the second and third classified company.

The prize of € 100,00 and gadgets will be awarded to athletes who conquer the first four race records with a FINA table score of more than 800 points.
